

100 DOLLARS REWARD.—Left my plantation near Piscataway, Prince George's county, Maryland, on the night of the 15th ult. negro GIM DADE. He is about 24 years of age, of a copper color, about 5 feet 8 inches high, and very stoutly formed for his height; has a sullen downlook when spoken to, with his under lip projecting in a remarkable degree beyond his upper. His clothing was so various as not to be described here; but I believe he had on when he went off, a yellow drab flushing roundabout, with white country cloth trowsers. Gim has a wife called Mary, belonging to Mrs. Arine J. Lyles, and now hired in the vicinity of the navy yard, Washington City. He has also a father, the property of Mr. Dutton, of Charles county, and I feel confident he is lurking about one of those places.

For the apprehension of said fellow, or securing him in jail so that I get him again, I will give the above reward if taken beyond the District of Columbia or Charles or Prince George's county; if within those places, \$30, with all necessary expenses paid, provided he is brought home.
